SIR,

I have the honor to forward herewith duly verified the proposition statement in duplicate relating to the revision of the establishments of the Prison Department together with letter No.1009/106-21 dated 30th/1st August 1921 addressed to you by the Inspector General of Prisons.

2. The financial effect of the proposition is a net addition of Rs894 1/12 per mensem or Rs10,729/- per annum to the permanent recurring expenditure of the state against a temporary decrease of Rs644 2/3 per mensem or Rs7,736/- per annum showing in the statement. The net extra cost will therefore be Rs249 5/12 per mensem or Rs2,993/- per annum against the sanctioned allotment of Rs9,250/- to his department. There is thus a balance of Rs6,257/- left, a portion of which, the Inspector General wants for extra hands required for clerical work in the Jails and for revising the pay of the Jails and his office establishments as stated in the last para of his letter referred to above.

3. A part of the establishment of the Manufactoring Department was sanctioned by Government temporarily without any limit to the period during which it has to continue; but it is not clear whether the

SIR,

With reference to Government Order No. Fl.C.1-50/S. & A. - 23-20-59 dated 15th June 1921, regarding the submission of proposals for giving suitable increases of pay to the Officials of the Prisons Department in lieu of high price allowances now granted to them, I have the honor to state that a sum of Rs.9250/- has been made available for the purpose in the current year's budget in place of Rs. 16200/- allowed last year.

2. Officials who were getting a consolidated allowanc Rs.15, 12½, 10, 8, 7, 6, and 5, could now get only Rs. (8-9 (7-2-2), (5-11-4), (4-9-11), (3-6-10), (3-5-11), and (2-13-8), respectively calculated in proportion to the amount now granted.

3. With the exception of the few marginally noted posts of the Department, all Officials in superior service have been allowed an increment of not less than Rs. 5/- each, and those in the inferior service who are only entitled to get Rs. 2-13-8 are given an increment of Rs.3/- eac and the total amount thus distributed has not exceeded the sum of Rs.9250/- sanctioned by Government.

General No. 1009

No. 106-21 & 2973

Enclosure No. 2.

Subject

Submits proposals, as called for by Government, for giving suitable increases of pay to the officials of the Prisons Department in lieu of high price allowances.

viz., Rs. 100-4-120, which was originally intended to the pos of a Jailor, (vide Government Order No.3033-4. J. 303 dated 31st August 1896), has been proposed to be reduced to Rs.80/- to make it equal to the pay of the Deputy Jailors of similar status and capacity all over British

5. The present practice in the [illegible]tment of - transferring Officials from the Cler[illegible]Executive lin and vice versa, for purposes of promotion has not been helpfu to maintain the efficiency of either branch. An Official used to Office work for years, finds himself quite out of place, when called upon to perform Executive work, though he takes i up in view of the increased pay attached to the post, while h accumulated experience of office work is lost to the Departme: likewise an Official of the Executive Branch finds the same - difficulty with r

that these two se

should be separated and the pay and prospects of each made - attractive to secure the services of a better class of men. W: this end in view, I have proposed a pay of Rs.100-5-125 to the Manager of this Office who has had no promotions for the past six years and is not likely to get any further promotions unle transferred to the Executive Branch, which is not at all desirable. If this proposal is approved the Clerical Branch can always expect to reach this goal and the necessity to go over to the Executive Section need not arise. At present there are three posts carrying a pay of Rs. 100/- and over in the Executive Branch and none at all in the Clerical Branch. Hitherto the Manager of this Office always looked forward to become the Deputy Jailor of Central Jail. If the Deputy Jailor's pay is reduced to Rs. 80/- as proposed above, there will be only two posts in the Executive Branch on Rs. 100/- and over, and the third one may be given to the Manager of this Office. What is proposed by me is not at all extravagant as compared with the pay of the Managers of other minor Departments.

6. The Carpet Industry in both the Jails being most important and remunerative, the Maistries in charge need a bette pay than what they are getting now. A proposal to increase thei pay sent up to Government with this Office No.1768/17-07 dated 16th November 1918 has not received the sanction of Government yet. I have however proposed a small increment to their pay - pending the sanction of Government to the pay already recommend

7. The total expenditure on account of the increments - proposed comes up to Rs. 770-1-4 per month or Rs.9241/- per yea i.e., Rs.9/- less than the sanctioned amount. In addition to th above sum, a saving of Rs.521-10-8 per month or Rs.6260/- per y will also be effected by the abolition of the temporary Warder Establishment employed on extra-mural work and of the post of Supernumerary Jailor.

8. In this connection I beg to bring to the notice of - Government that the scale of pay of the Officials of the Prison Department was fixed so far back as August 1896, i.e., nearly 25 years ago, when the cost of living was not even one-fourth of what it is now; but on the other hand the work in the Depart- ment has considerably increased during the period. I request - therefore that Government will be pleased to kindly utilize a portion of the above sum viz., Rs.6269/- in sanctioning the ext hands required for clerical work in the Jails and for revising the pay of establishments both of the Jails and this Office, as applied for in this Office Nos.1768/17-07 and 863/130-19 dated 16th November 1918 and 17th June 1920 respectively, without any extra cost to Government.

I have the honor to be,

Sir,
